

Alpha Booster 3 & 5 Series

Powerful and long lasting stationary cold water cleaning

Nilfisk ALTO

Alpha Booster Facts

Nilfisk-ALTO presents a range of stationary cold water high pressure washers that comprises both single and three phase models with different levels of performance for a wide variety of uses.

Technical data:	ALPHA BOOSTER 3-20	ALPHA BOOSTER 3-30	ALPHA BOOSTER 5-45	ALPHA BOOSTER 5-54	ALPHA BOOSTER 5-54
Part Number	107361121	107361123	107361223	107361221	107361220
Pump Pressure (PSI) Max.	1100	2000	2200	2500	2500
Water flow (GPM) Max.	2.5	2.8	4.0	4.5	4.5
Max. inlet temperature °F	120-140°F	120-140°F	120-140°F	120-140°F	120-140°F
Motor TEFC (HP)	2.0	4.0	7.0	7.4	7.4
Power (Phase/V/A)	1/115/20	1/220/20	1/220/30	3/460/13	3/220/25
Pump (RPM)	1750	1750	1750	1750	1750
Weight (lbs.)	86	86	110	110	110
Dimensions L x W x H	23 x 14 x 15 in.	23 x 14 x 15 in.	26 x 15 x 15 in.	26 x 15 x 15 in.	26 x 15 x 15 in.
Standard accessories & features:					
Delayed Auto. Start/Stop	Yes	Yes	Yes	Yes	Yes
Ergo 1000 Gun	Yes	Yes	Yes	Yes	Yes
FlexoPower 3000 lance	Yes	Yes	Yes	Yes	Yes
Detergent injection low pressure	Yes	Yes	Yes	Yes	Yes
Stainless Steel Cabinet	Optional (#107360903)	Optional (#107360903)	Standard	Standard	Standard
Tornado Nozzle	Yes	Yes	Yes	Yes	Yes
Fully-Ceramic Pistons	Yes	Yes	Yes	Yes	Yes

A line of mid-range cold water stationary units for use in the agricultural, automotive, truck-washing, dairy industries and more.

Stationary pressure washers offer the great advantage of being installed just one time and then being permanently available for use. There's no need to take the machine around – just hook up the hose and start cleaning.

The new Nilfisk-ALTO Alpha Booster line offers a range of products for medium-intensity, everyday cleaning tasks in the agricultural industry, around kitchens or food shops (butchers, bakers, etc.), or even in garages and car rental companies. The range consists of both single- and three-phase models with different levels of performance for a wide variety of uses.

Powerful Cleaning

The Alpha Boosters offer pressure up to 2500 PSI and water-flow of up to 4.5 GPM for total cleaning efficiency.

Easy to Use

The simple and easy-to-understand control panel, and easy-to-operate on-off button and detergent system makes operation a snap. Just hook up the hose and get to work!

The features for ALPHA BOOSTER 3 & 5:

- Slow running, 1750 RPM motors mean low noise levels if you are working next to the machine.
- Fully-ceramic piston pumps are used offer long working life, even in intense applications.
- Easy access to components makes the products quick and inexpensive to service.
- **Electronic Control System:** The Alpha Booster 5 can be equipped with an external electronic control system that allows for the use of certain factory-mounted options such as remote control or coin boxes, 2x detergent. The machine can therefore be adapted to a larger range of applications.

See your local KEW distributor for a cost calculation and please allow 6-8 weeks delivery for optional special solutions.
