*Features Exclusive,
Quality KEW Accessories*

Nilfisk ALTO

Pressure Washing Redefined

The new Neptune USG Series is the most innovative pressure washer collection in the industry. With a wide range of engines, pumps, pressures, and flow rates available, the USG Series are ideal for both industrial and commercial cleaning applications. Nilfisk-ALTO and KEW's dedication to quality, durable construction provides years of reliability and service. The USG Series' modular technology supports low operational costs through easy, efficient and effective service and upgrade paths. Built for performance, dependability, and low cost of owning and operating, the Neptune USG Series is pressure washing redefined.
