

Poseidon 1100 PE

Gasoline Driven Cold Water Pressure Washer

Key Features

- Reliable Honda GX390 motor
- 9 feet automatic suction height enables the pressure washers to take water from lakes, reservoirs and tanks
- Powerful 3200 psi for a maximum cleaning effect
- Heavy duty chassis and large wheels for easy transport
- Heavy duty KEW C3 4 piston pump for high reliability ideal for intense applications

PRODUCT

- Large wheel ensures transport over rough ground
- KEW C3 4 piston pump for intensive use
- High pressure and water flow for optimum cleaning

EASE OF USE

- Accalimed KEW Technology quick release couplings for inlet hose and high pressure hose
- No need for electrical cables, the 13 HP Honda gasoline engine enables use on any site
- Possible use of any water source (lake, river, tank)

PRODUCTIVITY

- Pressure available up to 3200 psi for particularly difficult cleaning tasks
- Robust material and design assures long working life and minimum down time

SAFETY

- Oil level security
- Safety valve protects against overload

ACCESSORIES/OPTIONS

- Softblasting
- Powerspeed lance
- Wet Sandblasting
- Hose reels
- Power Rotary Brush
- Tank Cleaner
- Suction filter
- Different high pressure hose lengths
- Contact your KEW distributor for a complete listing of accessories available for this pressure washer

POSEIDON 1100 PE

SPECIFICATIONS

Part No	106174710
Pump Pressure	3200 psi
Max. Water Flow	4.8 gpm
Max. Inlet Water Temp.	160° F
Motor	Honda GX 390
Motor Rated Effect	13 HP
Lance	Tornado® 2505
Hose Length	33 ft.
Size L x W x H	39 3/4 x 21 5/8 x 32 11/16 in
Weight	165 lb.
