

Triton Series

Electric Cold Water Pressure Washer

User Groups: Building construction, light industry, dairies, garages, small fleets, and agriculture.

Applications: Cleaning of trucks and vans, farm equipment and small staples, milk sheds, and much more...

Features and Benefits

- **Compact Design:** Facilitates storage and easy transport.
- **Large Wheels:** High ground clearance ensures mobility over rough ground.
- **3 Ceramic Piston Brass Pump:** Long life pumps for mid-range applications. Low service requirements. Low wear and tear.
- **Lance Holder:** Built-in lance holder provides storage and protects lance from damage.
- **Water inlet and outlet on the same side:** Quick and convenient connection of hoses.
- **Integrated 2.5 Gallon Chemical Tank:** Your favorite detergent is always ready for use. Eases transportation.
- **Built-in Chemical Injector and Dosage System:** No need for external injectors. Use of chemicals is determined directly via the lance.
- **Control Safety Block:** Step-less water volume and pressure control system.
- **Automatic Start/Stop:** Reduces wear and tear on the motor pump unit.
- **Totally Enclosed Fan Cooled (TEFC) Motor:** Ensures that dirt doesn't enter the motor and prolongs the life of the machine.
- **Features KEW quick connect couplers:** Enables the user to change hose and accessories easily and effortlessly.
