MAXXI WD3 POWER STATS

The Maxxi WD3 commercial wet & dry vacuum is easy on the wallet but tough on dirt.

This machine delivers a powerful wallop to dirt and debris, operating with 84 CFM air flow and an 82-inch static water lift.

The 9-gallon tank makes it a great machine for small- to mid-size jobs. It's a light, compact and quiet vacuum, operating at only 64 dB(A), where most wet & dry vacuums operate at an average of 88 dB(A).

The Maxxi WD3 is a must have for professionals in woodworking, drywall and automotive industries.
